MR. GOSCHEN'S TASK.

TO FIND A SOLUTION OF THE IRISH LAND QUESTION.

The Salisbury Government Determined to

Arrogate Dual Ownership—Playing for

a Win.

NEW YORK, Nov. 4.—Mr. Smalley cables

To the Tribune from London: Rumors have

long prevailed that the Government would

acquire the Irish Land Question next session.

They are confirmed in Saturday's Standard.

It is the dual ownership of land in Ireland

which gives rise to so much of the trouble.

The legislature created it, and the legisla-

ture is to be asked to terminate it. The

Standard will, without delay, say the very

thing which the Standard does not say, to

the Cabinet, or to some of the Cabinet,

his for some time past been engaged in the

question. There were specialists about Mr.

Goschen's visit to Ireland in September

and October. Nobody who met him in any

of the houses he visited doubted that his

visit was for the purpose of settling the

Irish Land Question. There were those who

were invited to meet him—those who were

supposed to know most about the land

question. He discussed hardly anything

## Spotting Notes From the North.

From the Editor of the Intelligencer.

Dear Sir,—For the last few seasons I have been in the habit of giving a sketch of the deer hunting in this locality, but this year, due to a very early start, I have been unable to do so.

With the advent of the season, a number of sportsmen in the north have been in the habit of giving a sketch of the deer hunting in this locality, but this year, due to a very early start, I have been unable to do so.

The committee propose holding some sort of a deer hunt, and it seems to be a very good idea. It would be a very good idea to have a deer hunt, and it seems to be a very good idea.

The "Elia Hunt" has had its paddles on the river, and it seems to be a very good idea. It would be a very good idea to have a deer hunt, and it seems to be a very good idea.

A Thanksgiving Hymn.  
For bel and for bloom and for balmed  
blossoms.  
For the singing of the birds from the hills to  
the sea.  
For the beauty of dawn and the brightness of  
day.  
For the light of the night of the stars and the  
moon.  
We praise thee, gracious God,  
For the sun ripened fruit and the life-giving grain,  
For the beautiful harvests now gathered and  
stored.  
That they in the lap of the nations were  
found.  
We praise thee, gracious God,  
For the blessing of friends, for the old and the  
young,  
For the hearts that are true and true,  
For the beautiful harvests now gathered and  
stored.  
That they in the lap of the nations were  
found.  
That the world was made for the light of the  
sun.  
We praise thee, gracious God,  
For the blessing of friends, for the old and the  
young,  
For the hearts that are true and true,  
For the beautiful harvests now gathered and  
stored.  
That they in the lap of the nations were  
found.

Every pain is capable of either external or internal use. From the first it has had wonderful success, and hundreds testify to it. Hagyard's Yellow Oil cures rheumatism, neuralgia, and all the grip, colds, bruises and all pains and aches.

**Dangerous Imititations.**

Counterfeits are always dangerous, more so that they always closely Imitate the ORIGINAL IN APPEARANCE AND NAME. The remarkable success achieved by Nasal Balm is a positive cure for Catarrh and Colds in the Head, and the throat, and the lungs, to imitate it. The public are cautioned not to be deceived by nostrums imitating Nasal Balm in name and appearance, but bearing the name as Nasal Cream, Nasal Balm, or any other name. Beware of cheap imitations. Ask for Nasal Balm, and do not take any imitation dealers may try to upon you. For sale by all druggists, and sent post-paid on receipt of price (50c and 1c), by addressing Fulford & Co., Brooklyn, Ont.

of the throat and lungs is Bickel's *Thymus*. It is a natural cough suppressant, and its use is especially helpful in those cases where the lungs are inflamed, and the phlegm is changing the secretions from fluid to solid.

**A Dinner Pill**—Many persons suffer from indigestion after partaking of a hearty dinner. The food partaken of is like a ball of fire upon the stomach, and instead of being a healthy meal, it is a torment. Dr. Parmentier's Vegetable Pills are the ideal correctives of such troubles. They cool the stomach, and break up the food before the food partaken of into healthy nutriment. They are just the medicine to take if trouble arises from indigestion.

Those of the people who have experienced the pain and agony now caused by pointed nipples and inflamed breasts, can get relief by using *Thymus*. It is a natural lactagogue, and it cures the trouble. This is precisely what *Thymus* *Electus* is Oil does, besides curing, it also externally, asthma, croup and other serious ailments.

**Worms change the whole system.** Most Grains, Worm Exterminator drages were given to the children, and they were cured. Five cents to try and be convinced.

**ADVICE TO MOTHERS.**—Mrs. WHEELER'S **SOOTHING SYRUP** should always be used by children as cutting teeth. It relieves the mother of all her anxieties, soothes the child, and keeps him or her from crying, by relieving the child from pain, and little children awaken as "bright as a button." It is very pleasant to taste. It soothes the colic, relieves the cramps, always all pain, relieves and regulates the bowels, and is the best remedy for diarrhoea, whether arising from too much or too little food. It is sold in all the drug stores and ask for "Mrs. WHEELER'S SOOTHING SYRUP," and take no other kind. 8-14

HUNTING IN AFRICA.

PERILS ATTENDANT UPON THE KILLING OF HIPPOPOTAMI.

Sometimes like Whaling, on a Hunter's Boat, and quite as dangerous to Participants.

At last we reached the bathing place of the hippopotamus herd, says a writer in the *London Herald*, and I could hear the sound of their blowing in every direction. I found it rather tedious to sit with any sort of the game, for to give chase to any particular animal, but to wait until one of them comes close to the raft.

Feeling through the rushes, side by side with the water, and the head of a hippopotamus as it swam near us. Only the eyes, ears, and nose could be seen. These parts were of a bright red, quite unlike the dull, leaden hue which those parts assume in captivity.

As we neared the swimming animal, it rose on one knee. When he gripped his harpoon he trembled with excitement. It had been told to remain perfectly still, and wait until the native companion could get to the raft. He gripped his harpoon, and the boat was tossed. It was a most curious sight to see the animal so excited, and the boat so tossed.

The most perfect quiet was observed, as soon as the animal was seen. It was a most curious sight to see the animal so excited, and the boat so tossed.

# IMPORTANT!

Remarkable Stratum in Health of  
Wm. J. Johnson, of this Office  
Have been a great success.

From the file of the hundreds of letters  
we have received from those who have  
been treated by this wonderful  
PAINLESS CURE, we make a  
few extracts. We have seen a  
number of Canadian men and women who  
are suffering from nervous and wasting  
disease, will profit by these true and  
plain statements of fact.

D. S. Davidson, of Montreal, suffered  
for years with nervous dyspepsia, pale  
face, back and aching limbs. He tried cod-  
liver oil without relief, was losing flesh rapidly,  
and had given up heart when he  
commenced the use of PAINLESS CURE.  
Compound. "Now," he says, "I am a new  
man. I sleep well and my food does not  
hurt me."

Mr. Jas. Johnson, 305 St. Charles Street,  
Montreal, was weak and  
nervous, had no appetite, and could not  
rest at night. He was treated with  
PAINLESS CURE, and was  
strengthened by PAINLESS CURE  
Compound, and he soon became well and  
strong.

Amie Gentry, of River Desautels,  
P. Q., found the Compound a certain cure  
for weakness, and now feels as well as she  
ever did.

A captain of Harmon River, drug-  
gist, Hamilton, Ont., told them that he was  
suffering from nervous weakness by the  
use of two bottles of the Compound,  
after which he felt better.

The little child of Mrs. G. E. Meredith,  
of Albany St., Toronto, was suffering from  
St. Vitus' Dance by PAINLESS CURE Compound.

Our Thoughts.

There is a fire which when once kindled,

May not be quenched.

Even though with rain of bitter tears

It is ever quenched.

There is a grief, which, if once kindled

In secret, never

No grief again, however bitter,

May fill the cup.

There is a pain which only cometh

Once to each heart;

The pain, however, of trust and faith

Is called to part.

There is a music flowing ever

Through the soul's bright river;

The music, however, of love and faith

Is called to live.
